

**Next Cut-Off Date for Applications to EMBO Workshops, Practical Courses and  
EMBO-FEBS Lecture Courses is 1 March 2026**

The [European Molecular Biology Organization](#) (EMBO) provides various scholarship and support programmes for scientists working in the field of life sciences. These programmes, which are financed by the [European Molecular Biology Conference](#) (EMBC) Member States and EMBO/EMBC global partners, provide grant, accommodation and networking support to the researchers.

[EMBO Workshops](#) provide funding for meetings that stimulate exchanges of the latest scientific knowledge in the field of life sciences. [EMBO Practical Courses](#) provide funding for courses that provide training in experimental techniques and promote the transfer of methodologies in these fields. [EMBO-FEBS Lecture Courses](#) provide funding for conferences on timely topics in biochemistry, molecular biology and related areas.

**EMBO Workshops:**

***Eligibility:***

- Organising workshops in countries that are [EMBC members or EMBO/EMBC global partners](#);
- Organising workshops that are covering a topic from the life sciences and related to [EMBO subject areas](#);
- Providing a list of mostly confirmed speakers is required.

Please find the detailed information about eligibility [here](#).

***Benefits:***

- EMBO can contribute up to a maximum of 42,500 Euros per workshop.
- Workshops can be organised in face-to-face, hybrid or virtual formats. Additional funding of 5,000 Euros (maximum) is offered for hybrid workshops.
- EMBO supports the organizers by creating a dedicated workshop webpage, providing a poster to help to advertise the meeting and offering funds for speakers.

Please find the detailed information about benefits [here](#).

***Application and Selection:***

- Applications must be made directly to EMBO through the [application system](#).
- Applications are accepted twice a year and the application deadlines are 1 March and 1 July annually.

Please find the detailed information about EMBO Workshops [here](#) and application guidelines [here](#).

**EMBO Practical Courses:**

***Eligibility:***

- Organising practical courses in countries that are [EMBC members or EMBO/EMBC global partners](#);
- Organising practical courses that are covering a topic from the life sciences and related to [EMBO subject areas](#);
- Providing a list of mostly confirmed instructors is required.

Please find the detailed information about eligibility [here](#).

***Benefits:***

- EMBO can contribute up to a maximum of 42,500 Euros per practical course.
- Practical courses can be organised in face-to-face format. Organizing hybrid practical courses require prior approval. If approved, an additional funding of 5,000 Euros (maximum) is offered for hybrid practical courses.
- EMBO supports the organizers by creating a dedicated practical course webpage and providing a poster to help to advertise the meeting.

Please find the detailed information about benefits [here](#).

***Application and Selection:***

- Applications must be made directly to EMBO through the [application system](#).
- Applications are accepted twice a year and the application deadlines are 1 March and 1 July annually.

Please find the detailed information about EMBO practical courses [here](#) and application guidelines [here](#).

## **EMBO-FEBS Lecture Courses:**

### ***Eligibility:***

- Organising conferences in countries that are [EMBC members](#) or in which a [FEBS constituent society](#) is based;
- Organizing conferences with focus on training and career development in the field of biochemistry, molecular biology and related areas;
- Creating the conference programme to include introductory lectures followed by state-of-the-art scientific talks, poster sessions, oral presentations, round-table discussions and tutorials to provide opportunities for participants to interact with the lecturers.

Please find the detailed information about eligibility [here](#).

### ***Benefits:***

- FEBS can contribute up to a maximum of 30,000 Euros per conference.
- EMBO and FEBS supports the organizers by creating a dedicated conference webpage, providing a poster to help to advertise the meeting and offering funds to cover the attendance of speakers and participants.

Please find the detailed information about benefits [here](#).

### ***Application and Selection:***

- Applications must be made directly to FEBS through the [application system](#).
- Applications are accepted once a year and the application deadline is 1 March annually.

Please find the detailed information about EMBO-FEBS Lecture Courses [here](#).

## **Additional Information and Contact Details:**

- Please find the detailed information about the EMBO scholarships and grants from the [official EMBO programme website](#) or from the [TÜBİTAK EMBO programme website](#).
- Please click [here](#) and [here](#) to watch the video recordings for online training days that were held on 16 and 17 October 2025 to promote successful applications to the scholarships and grants provided by the EMBO.
- If you would like to get updates about the EMBO scholarships and grants, please subscribe to our newsletter [here](#).
- Please send your questions about EMBO Workshops, Courses and EMBO-FEBS Lecture Courses to [courses\\_workshops@embo.org](mailto:courses_workshops@embo.org) or [embo@tubitak.gov.tr](mailto:embo@tubitak.gov.tr) e-mail addresses.
